

# INCREASE YOUR IMPACT

1 out of 5 Franklin County families cannot meet basic living expenses without the help of assistance programs. We work to change that by empowering families to break the cycle of poverty and build long-term stability, so they no longer need to rely on assistance. The funds you raise allow us to help more families on their journey out of poverty!

## REGISTER TO WALK OR RUN

Just by registering to participate you support the cause, 100% of your registration fee goes to break the cycle of poverty in our local communities. We are so excited to be back in person this year and we can't wait to see you. We will have a number of packet pick up days prior to the race or you can get your packet on race day.

## FIND YOUR SPONSORS

You likely know people who may not be able to participate in the event but would support YOU as you Race Against Poverty. You have the opportunity to find sponsors who will support you as you participate and make a greater impact!

## WHO TO ASK

Anyone and everyone! Start with your family, friends, neighbors, and coworkers. Take the Sponsor Form to church or to work and pass it around. Big or small, it adds up to make a real impact!

## HAVE FUN WITH IT!
